“ I worked with Louise at the hospital several years ago. I would see her on occasion when I visited the doctor at bull run family practice. She was a sweetheart and I enjoyed her laughter.

Louise, my friend, I will miss you soooooo much. I look forward to seeing you again, in heaven.

“ Annie & Marci& Dakota

I am so grateful to have known your mom/grammy. Annie, she was so excited and proud when you came to work at BRFP. We both enjoyed sharing stories of our most precious grandson's. We used to say Dakota was the best looking boy with no hair and Tyler was the best looking one with hair. Of course what do you expect from two proud Grammy's. My love, prayers and hugs will be with you during this most difficult time.

“ *To Louise's Family:*

I'm deeply sorry for your loss, she was a very special lady. I always enjoyed talking to her after visiting my drs, she always gave me extra candy for my son, and always was there for me when I did need something, she went the extra mile to help others, I found out today, and I'm so sorry I missed her funeral. God bless all of you. I going to miss her deeply.
