

Louise K. Wilson

May 13, 1947 - March 29, 2025

Louise K. Wilson (Kidwell) was born on May 13 1947, in Fairfax County. Over the past year, Louise courageously fought a fierce battle with cancer. Despite her tremendous strength and moments of hope, our Lord called her home on March 29, 2025. Louise's childhood was in Fairfax, VA with her parents, Leslie Berkley and Maude Kidwell her sisters Nellie (Kirby) and Edith (Beitzel), and her brothers Robert Kidwell, Joesph Kidwell and Junior Kidwell. She graduated from Woodson High School in 1965. After high school, she started working for Fairfax County.

Louise and Donald Ray Wilson were married on October 15, 1965. Together, they created a beautiful life and home with their child cherishing countless unforgettable special moments together as a family.

Louise was a shining light to her husband, Donald, and her daughter Deana Wilson. She brought warmth and brightness into the lives of all who knew her. Her unwavering radiance will continue to guide us, her passion for life will inspire us, and her compassion and gentleness will remain a lasting example for us all.

Louise's kindness and compassionate spirit was evident in her deep love for all, especially children that she cared for or came in to contact with. She always loved her flowers and seeing them bloom each year. Her love of

reading had developed even into her daughter.

Louise had a special way of brightening the day of everyone she encountered. Her love and care were truly inspirational. We will forever hold her in our hearts, carrying that love with us for the rest of our lives. Her light will be our eternal guide.

“ The most precious think I will never forget about aunt Louise is she was ALWAYS smiling and her contagious laugh. She had a kind heart and although she will be missed, no one can take away the memories. She is now with Uncle Donnie.

“ Deana you are in my thoughts and prayers. I know this is a really difficult time for you. Aunt Louise was such a sweet lady. I helped her and Uncle Donnie move. And her and Uncle Donnie had me laughing all day. They would play cards with mom and dad they had such a good time.
