“ *Diane, Donna & I shared an apt in Raleigh NC during our Jr Live Off Campus experience. She was hardworking, tough as nails and loved the people she cared for with extra love. I am sure her family and friends miss her terribly. Though I haven't seen her in years, she has always been a part of the fond memories of Kennedy Home. God Bless her family and friends and I am sure she is watching from heaven to make sure they are ok. Rest In Peace My Friend.*

“ *Please accept my heartfelt sympathies. My heart goes out to the family. Death is something we will never get use to. In fact, God's Word refers to death as an enemy. (1 Corinthians 15:26) Very soon our loving Heavenly Father, Jehovah God, will remove death once and for all and give us the opportunity to see our loved ones again here on the earth.*

“ *I lived at Kennedy Home in Kinston, NC with Diane back in the late 60's, early 70's. She was a little over a month older than I, and we graduated from high school together. We lived in the same cottage for about 3 years and became close friends. I have very fond memories of her, and will miss her. Praying for the family.*

Donna, Diane talked with me about you and wanted me to try and look you up. She thought you were living in the Raleigh area and we have a home there. She couldn't remember your married name. I wish I could have connected with you. I know she had fond memories of you and your friendship together. Trudy, her sister-in-law.
