“ I did not hear about this in time to attend the funeral and I am sooo sorry as I was a friend of Lucy's for many years. She was one of the sweetest people I ever knew. She adored her family; that was all she talked about. I will miss her.

“ My mother, Ruby, worked with Lucy at the optometrist offices. I visited often and got to spend a lot of time with Lucy. She was always sweet to me and loved to joke around. She showed me a lot of things that she did in the office, often putting me "to work". We did not hear of her passing in time to attend the services and for that, my mother is saddened. We hope that Patricia and her family & Lucy's friends will still accept our deepest condolences. Lucy's smile will be greatly missed.
