“ I did not know Luis well but we did serve on committees for the Loudoun Vintage Golf Club and played several rounds of golf together last year. He loved his golf and was a pleasure to be around. Saddened to know he will not be with us next year to enjoy the LVGC, given all the work he put into helping setting it up.

*My condolences to his family and many friends.....*

“ His love for family is something I will always hold dear to my heart about my uncle. Though I did not have the opportunity to get to know him better, the times I did, he always showed love, caring and grace for those important in his life. For that i am forever grateful. My prayers for his family at this time, he will be missed and always lovingly be thought about.

“ I will never forget the day I called you to let you know your brother was sick and how fast you came to be by my side the entire time to say your last goodbye to Pop. I always loved when you came all dressed up in your uniform to see mom and pop I was just a young girl and saw how caring you were to them. May you rest in eternal peace, I know you will both be together again.
