“god” loved her so much, he sent me to try to warn you before it happened. I don't like talking about it, but I stopped my car and shouted about a week or two before this happened. I'm sorry I maybe got the wrong house, and didn't follow through. Every day I'm sorry I didn't believe my precognition. I'm sorry I was afraid of being arrested or treated like a mad man. But now I don't care what people think about me. I just want you to know - She must have been wonderful... she may be an angel now. Mysterious forces sent me to try to save her, and I failed you. I'm sorry.
