“ I am so saddened to hear of Mabel's passing and that I hadn't been able to communicate with her the last few years. She was a wonderful, talented person I enjoyed working with and being a friend at Weymouth. I just realized that not only that we were both Libras but born in the same year. I have been complaining becoming 84 at the end of September. Mabel will always be remembered and the hair dressers asked me about her every time I go. You have taken care of her and now she is at rest. My deepest sympathy. Barbara Dvorozniak, Pinehurst.

“ Aunt Mabel was one of the sweetest women I've ever known. She was kind, loving, sweet, and all good things to me. I will truly miss her, for she made the world, and the moments of my life happier and special.
