“ I would like to express my condolences to the family in the loss of their loved one. When a loved one dies the pain, the grief, and the feelings of helplessness can seem unbearable. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29
