He got a laugh out when he offered me fried catfish and cornbread and I accepted his response was damn I didn't think you would take it !! I told him I was a country girl and it wasn't my first catfish!!! After that it was like he was family!! Always felt comfortable at his garage!! RIP Mack

"O Lord God we come to You at this time of great shock and grief and ask that in Your grace, You would shed Your peace and comfort to all who are mourning this death - that was so sudden and so very unexpected.

Lighten our darkness O Lord we pray, and comfort our sorrowing hearts. Pour Your peace that passes all understanding into the hearts of all that are grieving and shower the assurance of Your love on all - at this time of sadness.

Lord it is at a time like this that we suddenly begin to realize the great frailty of life and the brief portion that we are permitted on this earth. Cause all who are grieving here today to take stock of our own, individual lives and help us to be wise and to number our days. Help us to live our lives as unto the Lord, knowing that at any time You may choose to call us home as well.

Thank You Father, that our times ARE in Your hands and there are no sudden deaths in Your economy. May we live wisely from this day forward and use us we pray, to be a comfort to others who may experience similar times of great sadness, In Jesus name we pray"

Amen

My prayers go to the Family and friends of Mack. For the short time that i have known him, i got to know how great and caring of a person he was. We had lots of fun at a Saturday get together and shared lots or laughs and was such a fun person to be around. He will be forever missed in our hearts until the day we all meet again. Rest in peace Mack Arthur West.
