

## Madelyn Sharma Magrath

August 23, 2000 - September 5, 2024

It is with profound sadness that we announce the passing of Madelyn Sharma Magrath, age 24, of Prince William County Virginia, on September 5th, 2024. Maddie was a bright light in our lives, taken from us far too soon.

Born on August 23rd, 2000, in Manassas Virginia, Maddie was a beloved daughter, sister, granddaughter, niece, cousin, and friend. She was known for her kind heart, infectious laugh, and could bring joy to everyone around her. “Maddie Pie” was fun-loving, loyal, determined, and resilient.

Whether she was reading a good book, debating right versus wrong, exploring the wonders of nature, or spending time with family and friends, Maddie lived her life with passion, authenticity, and fervor.

A graduate of Charles J. Colgan Sr. High School Class of 2018, Maddie furthered her education and went on to earn a bachelor’s degree in legal studies from George Mason University in Fairfax Virginia. Maddie was excited for her future as she recently began her professional career in the Prince William County Commonwealth Attorney’s office. Additionally, she was studying for the LSAT with the intention of attending law school.

Maddie is survived by her loving family, including her parents, Bill and Anita; her loving brother Will, her grandparents Uma and Hari Sharma, and her

grandmother Ruth Davies. She also leaves behind many aunts, uncles, cousins, teachers, and colleagues that she loved very much. Maddie had a wide circle of friends who were very special and dear to her.

A memorial service to celebrate Maddie's life will be held on Saturday, September 14th at 11:00 AM

Pierce Funeral Home

9609 Center St.

Manassas, VA 20110.

Family and friends are invited to attend and share in remembering her.

A repast will immediately follow the memorial in the reception room

“ I knew Madelyn briefly after meeting her in 2023, and I have only recently learned of her passing. Learning of her passing is really saddening. Madelyn was very kind to me, and was someone I've been able to have some good conversations with. I am beyond grateful to have met such a kind soul, and my thoughts and prayers are with the Magrath family. Rest in peace Madelyn.

“ I met Maddie when I was 15 because our brothers played hockey together. I remember meeting her and being so excited to get to know her because I thought she was the coolest person (I still believe that). She was so genuine and authentic. I loved that she had so many of her own unique interests. Even though we grew apart, mainly because both of us went back to school, her friendship had a huge impact on me. I will always have so much love for her and I can't thank her enough for being such a good friend to me. I will miss you so much Maddie.

“ I only have a few memories of Maddie because I met her when she and her brother visited Anita and Bill in Misawa shortly before we left. One of my memories is that she was happy her mother had made a special Indian cauliflower dish for our dinner because it was one of her favorites and she wanted to share it with us. I remember thinking how much I enjoyed her company and enthusiasm and how much I liked her and her whole family. Although I barely knew her, I will miss her. The world is a sadder place without her.

“ I went to high school with Maddie! She never failed to make me smile and just offer up kind words. Her smile lit up the room and her laugh could clam any spirit. I saw her earlier this year and although e weren't as close anymore it felt like we didn't miss a beat. I was so emotional seeing her because of how much time had passed and just how much we had grown. Maddie made such an impact on me back then and I will always keep her in my heart. I send condolences to the family and the friends and everyone at OP who knew and loved her! May she rest in perfect peace.

“ I met Madelyn through school and the ice rink. No matter where she was, I could always find her thanks to that dazzling bright smile. Her smile alone could offer a comfort words can not. Although we grew apart, when I think back on my time with Madelyn... it was one of the happiest times during the darkest moments of my life. Madelyn had a way of accepting everyone and allowing them to feel loved. I am beyond thankful I got to meet Madelyn. She was so so so beautiful inside and out, she had a genuineness to her that is hard to find... Madelyn was simply a fantastic person. She will be missed so much.

“ *I recall the first day of high school when I locked eyes with Maddie not knowing it'd be a beautiful relationship that followed me until after high school. We stayed in contact after graduation and talked almost everyday. She was one of the first people to tell me about myself, inspiring me to grow into a better version of myself. Time went on and we weren't as close anymore but she'd always text me to give me some love and support, I'd do the same back. I was always in awe of how beautiful she was inside and out. I'll always value that I had her in my life. Sending lots of love to everyone who had the chance to meet her as well.*

“ Maddie was truly one of the most genuine and beautiful souls. Ever since we met in LRMS and from there through Colgan and Mason, I've known her as the brightest smile in the room, the one whose laughter made everyone cheerful. I hope all of us who got to grow up with her will carry her spirit of kindness and light. My deepest sympathies and prayers to the Magrath family. □

“ Madelyn was a really good friend. During the time of our friendship, everyday was so funny. Everyday was an adventure. Everyday was bright. I know that God will tell her how much I always thought of her. He will show her all the things I see that remind me of her. I am praying for her family— the people she always spoke so highly of and loved more than anything. Madelyn was so impressionable and a monument in countless people’s lives. I learned so much from her and have always remained thankful and blessed to have known her. May we all be reunited with her in heaven and share more moments of joy and happiness with her and all her loved ones ❤️
