“ *Kitu was a kind, caring, thoughtful man who loved his family and friends. He took time to lend his expertise and helping hand whenever needed. My family will miss him dearly. My daughter called him "Mr. Cookie" because he loved chocolate chip cookies and often baked them for him before gymnastics practice. Sometimes he would stay and watch a bit of her practice and tell her that he looked forward to seeing her compete for a gold medal one day. He even helped pick up a Peloton bike for me which I haven't used lately and will resume it in his honor!! He loved his brothers and immediately family and showed videos from his daughter's wedding, other events and pictures he took of his backyard that he loved. His kindness will always be remembered. May he rest in peace.*
