

## Manfred "Fred" Breiter

November 6, 1933 - February 14, 2018

Manfred "Fred" Breiter went to be with the Lord on February 14, 2018. Proceeded in death by his wife, he has now gone to join his beloved Luise. Fred was surrounded by family as he slipped into a peaceful eternal sleep.

Fred was born November 6, 1933, in Bremen, Germany. Survived by two daughters and their spouses: Anita and Bart Waggy, Caroline and Ken Morgan. In addition, he left behind devoted granddaughters: Amanda Waggy with Lee Holbrook and Johanne Waggy with Shawn Andrews. Sharing in the loss are many friends both near and far.

Fred will be brought home to family with a private ceremony of love. In lieu of flowers, please consider a donation to the ASPCA or a shelter of your choice in his name.

With the date still to be determined the family will host a celebration of life.

“ We mourn the loss of our friend of 52 years. The memories provided by those years of friendship will live on and are treasured. I think one of the favorites is that Fred liked “yes” for dessert.

“ Sympathy and condolences to the Breiter, Waggy and Morgan families at the loss of our beloved. He was a great guy, a friend to all and he was loved by many. He imparted little things to me as a child, lessons in fairness and character by the example he set. I'll never forget him.

*Rest In Peace, Uncle Fred.*

“ Carrie, Anita and family,

*I'm so sorry to hear of your dad's passing. He sure was a special guy. I was always impressed with how he always remembered me and gave me a big smile the few times I ran into him. Both of your parents were lovely people -- what a blessing! I know your hearts are hurting. I am keeping you close to my heart during this sad and difficult time.*
