“ Billy and family-We are so very saddened about Peg. We remember many spirited conversations with her about many topics(especially political) over the years. Her laughter could light up a room and she always saw the joy in the simple things. She will be greatly missed. Our love to all of you.

“ My dear friend and mentor Colonel William J. Bradlee, (Ret). I am so sorry for the loss of your wife of (45) years. My thoughts and prayers are with you and your family. She was a fine woman, a terrific wife, mother and a grandmother. Billy?God saw her getting tired and a cure was not to be. So he put his arms around her and whispered "come to me and join my team." With tearful eyes we watched her, and saw her pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best!!!!
