“ Dale, Shelia, all the grand children and Brother Billy there are no words to really express the sad and empty feelings I have and am trying to express since learning of Margaret's passing. We became friends 30+ years ago and as time moved along we shared many fun times, some very sad times and a deep caring and understanding for one other. I called her my 4th sister and she often told me I was the sister she never had. I will miss her every day and may she rest in peace.

*I hope you and the family find comfort in knowing how much she will be missed and that so many are sharing your pain, you are in my thought and prayers.*

*I hope she finds a jigsaw partner in heaven.*

*love you,

I am so, so sorry to hear of Margaret's passing. Margaret always brought a smile to my face with her wry smile, and was helpful when buying gear at the shop, or when I left my membership card at home. I felt an additional bond with her as she has the same first name as my youngest daughter. Margaret was a wonderful person, and her laughter and demeanor will be sorely missed.
