“ We wish to express our deep sorrow and join with you in pray and thoughts. We did not know Margaret or her family too well but we do know that since she produced Bambi who is such a wonderful wife, mother, and individual, Margaret too had to be the same.

“ I am very sorry to hear of the lost of my beloved "Aunt Marg". Although we lost touch after I moved away from the area many years ago, her spirit, courage (and tenacity) carried on in my thoughts of her as well as of Uncle Lou and my cousins. I am very sad to hear of her battle with cancer; please extend my thoughts to her husband and to my cousins.

“ Dear Lu Ann, Lori, Mary Beth, Greg and Bambi,

I am deeply sorry to hear of the loss of your vibrant mom. How fortunate I am to have just spoken with her a couple of months ago after not having heard her uplifting voice for many years.

Although she was going through her treatments at the time, she still had that wonderful spirit and infectious laughter.

It brought back so many beautiful memories of the Potomac Falls era with her always so active, joking around with us and laughing. A truly joyous soul.

All of you, along with Mr. Hansen (whom I have not had the pleasure of knowing) are in my thoughts.

Wishing you a thousand stars on the darkest of nights and may the love of your family and friends bring you the strength to walk through this sad milestone of your lives.

With much love, Leslie Shaffer

Hi Leslie-I just saw this. Bruce and I are at the beach after attending a viewing last night for my OB's wife. I have no idea what possessed me to look at this, but I did after 9 years!

I will always remember the special relationship Mom had with your mom. I was in the hospital with her when your mom called just before she died. The two talked and laughed for hours.

I miss you. I would love to see or talk to you.
