“ Margie you were the bright spot of my day. Always a smile in the early hours and always a great story or two. We had lots of laughs and you sure kept me in line. The first time you said, " I told you to sign right here" I knew I needed to tow the line. Your attention to detail was beyond on my paperwork and our new hires loved you. I loved our visit a few weeks ago and so sorry we won't have more. Rest in peace my friend. It was an honor to have you as a friend.
