“ *Rochelle said it beautifully. My first thought was of giggling sleepover days from Haycock and Girl Scouts and years later to the Concert Choir Rhode Island trip (more giggling). Her BBQ success doesn't surprise me at all. Who could turn down Maria? My thoughts and prayers go out to the Rodilosso and Rychlik families and her many friends.*

“ We knew Maria from her volunteer days at YVFD. She was always upbeat and smiling, even on those midnight calls! Your family is in our thoughts and prayers during this difficult time.

“ I regret not attending services today for Maria. Please know my heart and thoughts are with you. I look forward to seeing you soon to share memories of Maria and celebrate her life. What a cruel disease to take such a beautiful life and serve so much discorse. Now is the time for healing and peace. Gold bless you.
