“ It was hard to say goodbye to you today. I miss you, but the one of many things you leave behind is the inspiration you gave me as a young girl to be a hair stylist and some of the techniques you showed me. I will miss doing your hair! I am glad you were able to meet Isaiah a few weeks ago. Enjoy your new body in heaven and we will see you and meet again. I love you Maria!

“ *Maria-
It was such a pleasure and an honor to have worked with you for the past 15 years. I will miss your loving spirit, your generous nature, your good soul and your kind heart. You had a way of making me laugh when things got tough. You reassured me that everything would work out when it was hard for me to be hopeful. You believed in the best in people and the best in me. Rest well.
Your friend,
Nan*

“ My dear friend I will truly miss you,

I am fortunate to have had you as a friend, you helped me to seek the best in people (you never spoke an unkind word of any soul). You showed me how to seek God in times of uncertainty (you would say turn it over to God and or God knows best, ever time I struggle I hear your voice in my head (smiling)). You shared your family with me (which meant a ton, since my family is out of state). We worked together side by side for almost 7 years, you loved to dive into an issue and you would always come out with a victorious solution. You loved your work and were grateful every day.

My heart is sad that you have departed from this physical earth and I will not have the opportunity to talk with you or meet for pizza, but my heart knows that I will see you again and we will laugh and talk and again, and we will let the sun shine upon our faces.

One of my favorite memories is when you, James and Ashleigh came over to watch the movie "The five people you will meet in heaven", you are one of those people that love to solve the riddle before the story ends, but that one had you stumped...I had such a good time that night and will cherish that memories for all of the day's of my life.

I love you with all of my heart, your friend...

June

“ All of us here at New Life Outreach International Church are deeply thankful for the days, weeks, hours, and precious moments that we were able to share in life with Maria, as well as the promise of everlasting life. Our hearts and love are wholeheartedly extended to Rick, and their wonderful children, as well as waiting for that glorious day when we will all be reunited with all of our family and loved ones who have placed their hope and faith in Jesus Christ our Lord. May God bless, comfort, and strengthen all of Maria's family and friends, and we always remember that 'God's Love Never Fails.'

“ *Maria I will always cherish all the wonderful memories that we have shared, you have been the best sister in law that I could have ever asked for & will be missed greatly I look forward to the day when we're both in heaven dancing on the streets of gold! You have so many great qualities that this would turn into a book if I was to list them all but one of my favorite memories which I will remember forever is when you made Rick the macaroni and cheese casserole! Anytime I share that recipe I will always think of you and make sure that I tell them to boil the noodles first LOL! I love you Rick James Ashleigh & Josh, you all are in my prayers and will be for all the days of your life. May God comfort you during this very difficult time.*
