“ *Gayle was such a good person with a huge heart. She helped my family in 2010 to put together a repass for our son when he passed away. I also remember the time that we held a Pampered Chef party. I still have the mixing bowl and each time that I look at it it will remind me of her. So please imagine the sorrow that we felt when we first heard the news that she had passed. Her husband and I have been friends for over 15 years. She will be truly missed.*
