

## Marianne Hallett

October 14, 1937 - June 3, 2026

Marianne Hallett passed away peacefully Wednesday June 3rd, 2026, at age 88. She was born in Pittsburgh, Pennsylvania to Edwin Richard and Frances Rose Pease.

With her first husband, John, she began her life's whirlwind journey as a military spouse with postings at various locations on the East Coast as well as Canada and Japan.

While raising her sons, she spent her free time volunteering for military support organizations such as Navy Relief, the USO, the Red Cross, and working as a substitute teacher.

As her sons matured, she returned to school, earning her college degree and later a master's degree from George Washington University. She worked in the private sector, had her own practice, and later retired from Fairfax County Government.

She expanded her family with her second marriage to Ed, adding four more children, two sons and two daughters, fulfilling her long-held wish for a daughter and completing the family she treasured.

In retirement, Marianne and Ed enjoyed their passions of traveling across the country, spending time with their cherished family and friends and taking numerous cruises to destinations around the world.

Amid all of this, as a staunch patriot, she found time and energy to dedicate to supporting and volunteering with the Freedom Museum in Manassas, VA, promoting the history and great achievements of our military members and

families.

She is survived by her children Michael Schaier (Deborah), Donald Schaier (Lisa), Christopher Schaier (Lori), Scott Hallett (Debra), Pamela Hallett Gaither (John), Kirk Hallett (Denise), Cynthia Hallett Cannon (Michael), 17 grandchildren and 24 great-grandchildren.

She was preceded in death by her husband Edward Reveley Hallett, her former husband John Donald Schaier, her brother Richard Edwin Pease, her son John Martin Schaier, her grandsons Nathan James Hallett and Keith Caton Treichel, and her beloved cousin and lifelong "sister," Constance "Coni" McCrea.

“ Sorry, but I am unable to be with all of you. With tears and a heavy heart I extend my deepest sympathy to all Marianne's family. Our last time together in April will always be a special memory. Marianne has been a part of my life (1941) forever. We were not family but almost. Our parents were best friends and she and I have remained the same. I will remember her as loving, caring, diplomatic and a survivor and one of the greatest I will ever know. She will remain in my memory as more than a friend, more like a sister. Love you, Marianne. May you rest in God's hands. Dot Zeski Moser
