“ Roxanne H.- I worked with Marie way back in the day at Contel Federal Systems. We had a few lunch dates a couple years back and I deeply enjoyed them. She was such a beautiful person inside and out. I did have the pleasure of meeting Ed Sr. Also, she always spoke highly about her kids. I was deviated to just find out about her passing. Prayers to her family. I lost a beautiful soul as well around the same time. My mom passed on February 25, 2025. It is still so hard for me. I will try to find you on fb as I would love to share a picture. God Bless you all
