“ I was truly saddened to hear that Dave passed away. I have so many great memories of the days Dave and I worked together. He was such a fun loving guy and will be missed.

“ Willie has known David for over 35 years. His fondest memory was on the day he married Jackie and he was at church climbing the walls to get into the church to get his wallet that he left at the wedding. He has worked with him and we have had fellowship with him and his dear wife at our table, and Willie has had many a "baptist" handshake from this gentle giant. As it was said of King David in the Bible, his seat will be empty and his place will be missed. I(Carol) have known them since 1985 and it has been such a pleasure knowing them and being able to call them our friends. He will be missed! Our loss is most definitely Heaven's gain!! We would love to be there with you but due to poor health we were unable to come. May God be with you and may you be comforted by the blessed promise that we will see him again!!
We love you
