“ I love you Grandmother. I remember when I last saw you two years ago. We had a good time visiting, and eating together, (as Caton's sure like to eat)...and the last night I got to visit with you we prayed together before I left. That was the high light of my trip as I still remember hearing you say "Jesus, Jesus...precious Jesus" as we prayed. Tonight you are probably enjoying the heavenly mansion that Jesus prepared for you long ago. You probably have lots of company, loved ones you have not seen in awhile that have dropped by for a reunion. Heaven is a real place and I am glad when I will be there too. Save a place at your table for me that day.

“ I got to grow up with Derek as one of my closest friends and something I will always remember is how we would see you at the ballfields in Nokesville cheering him and the rest of us on. I know he and the rest of your family are certainly missing you right now, but there are alot of us who would consider ourselves your extended family that will be there for all of them. We must keep in mind that you are in Heaven and will be waiting on us all when we will get to see you again.

*Thoughts, prayers, and so much love going out to all of the family of this wonderful lady.*

*You will certainly be missed Meme.*

May you Rest in Peace with Uncle Harry Lee and please say hello to my father; Louis Caton, while you are in heaven. Glory be to God! "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away." -Revelation 21:4

“ I would like to express how sorry I am to hear about Sis. Caton. I grew up with her daughter Diane . I remember all the good times we had with her . She was like a mom to me. I remember she would go with all of us girls when we went to sing and how supportive she was. She will be surely missed by everyone who loved her.
