“ I will greatly miss Marge, my friend & neighbor for over 50 years. She was a lady of deep faith & loved her children & grandchildren dearly. So happy she is now out of pain & suffering. Love to all the Davis family from the Enke family! Lee Enke

“ I considered Marge a dear friend and was very saddened to hear of her death. We worked together at New Dominion and Mullen Elementary. She was wonderful at helping children with play, self-help, and social skills. Erica and all her grandchildren were lucky to have such a loving, wonderful grandmother. I will miss our conversations, but remember the fun we had together. Anne Cohick

“ Janet, Jimmy, Julie, John and Jeff,

The days I worked beside your mom were the best of my career. Teaching with Marge often included cooking, reading stories, dressing everyone to go outside, laughing- and each of these done with love.

Hearing her stories as you all grew up were also a great part of teaching with your mom!

Her kind heart and her solid faith inspired me, daily.

I am heart broken as I am unable to be with you all on Friday. Her New Dominion family sends love and prayers.
