“ Grandma was an amazing, hard working, God loving woman. I have never met anyone else in my life that loved and devoted herself to the Lord like her. She was simply more than amazing, truly an admirable woman.

“ To the Wells Family:

Marge, or "MOM" was one of the first persons I met when I joined the police department on June 15, 1970. The things she did for all of us are too countless to write down, other than to say there was nothing she would not do for you. She truly was a second mother to many of us. She will be dearly missed by all of us who had the privelege to have known her. Please know that our family has your family in our thoughts and prayers. May God bless you during this time of loss and pain.

Take care.
