“ I was so very sorry to hear of Mark's death. We were former co-workers and although I had not seen Mark for quite some time, I knew he had been ill off and on for quite awhile. My thoughts and prayers go out to Pat, Justin and Gary and may Mark rest in peace now, free of pain.

“ I was saddened to hear about Mark. It's been many years since I have spoken to Mark but from the time I met him in 1979 he left a lasting impression with me. I was 15 years old beginning my career and Mark was the person assigned to train me in my new job. Still today I utilize the knowledge and skills he shared with me. Rest in Peace.
