“ Words cannot begin to express what we are feeling now! We know in our heart that Mark is in a better place and will be able to see others that have gone before him. I will miss him as he watched over me from the time I was little. I will miss him talking about Nascar at our family get togethers and him always saying, "Cuz, give me a hug!" I pray that Aunt Mary Esther, Gary, Russ, Larry, Cory and Candice and their families will find peace in their hearts over time. God speed Mark until we meet again!  
Love your cuz,  
Wendy

“ To Aunt Mary Esther and sons, I pray that God wraps you in his comforting arms and eases your pain. I will always be thankful for the way Mark loved our family. He was always there for all of us. When Lynsi got her apartment near yours, he told her if she ever got scared or just needed something to call him no matter what time, he would be there, and how he always had time to talk to my dad and spend time with my parents and how all those years ago, we spent almost every weekend together. HOw we went to Toys R Us near Christmas and stopped at McDonalds on the way home. What wonderful memories I have of him. LIke Wendy said, we were always his Cuz!! He loved us all and we loved him. He is at peace now and we WILL see him again. Love to all, Vicki, Mike, Lynsi, Katie and Addison.
