*I remember taking you trick or treating, that you collected bugs, how much you liked watching Star Trek and The Wild, Wild West. We had our differences but you were my brother. Rest in peace.*  
Love,

*My brother Glyn and I are Mark's first cousins. Uncle Wayne and my mother were siblings. We were all little kids, but I remember how hard Mark played in sports games and how competitive he was. Especially tetherball. Those summer days are much missed. Rest well, Mark. Your cousins never forgot you. Susan Gordon, Nashville*
