“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

“ Stacie and I are deeply saddened to hear of Mark's passing. We began to reminisce back to our SJHS days and our friend Mark. Mark and I would push our dirt bikes from his house to the Sudley Pool and then ride them for hours around the fields by Barrett Drive. I also recall us singing along to Steve Miller's "The Joker" when it would come on the radio. So many memories, but the one that Stacie and I remember the most was when Stacie told Mark that she liked me and wanted to go out on a date. That was 37 years ago.

Terri, please take comfort in knowing that Mark has many friends and Stacie and I will always have a special place in our hearts for Mark.
