“ Today is full of memories of a brother laid to rest and every single one of them is filled with happiness.

For you were someone special, always such a joy to know and there was so much pain when it was time to let you go.

That's why this special message is sent to heaven above for the angels to take care of you and give you all our love.

Love you always ❤️ Cathy, Laurie & Maureen

So sad to hear that this cute boy from DJO has left. I hope he is flying high with dear souls that departed earlier and enjoying the richest of heaven. He is such a reminder of simpler times and laughs that our friends had together way back when we were still teenagers.
