“ Words seem so inadequate to express the sadness we feel over Mark's passing away from this life much too soon. We bought our home across the street from Bill and Linda, when Mark was 5 years old. We knew Mark, and his siblings, Amy, Bryan and Rachel for most of their young lives. We have wonderful memories of the four children growing up. They were familiar faces on our side the street. We didn't become parents to our one and only child, Amy, until we were well into our 30's. It was a joy to watch the Lindamood children grow up. With Mark, we shared a fondness of Stephen King and Richard Bachman books. We can't believe Mark will miss Under The Dome this summer. Mark was nice, each & every time we saw him, from the very first time we met him. Mark was never negative, he was respectful & courteous. Mark always had a smile on his face when we spoke. We will keep Mark's memory close to our hearts, we were blessed to have known him as long as we did.

“ I didn't know this young man, I wish I did, but to the family my prayers are with and I have no doubt that there are a lot of very memories to cherish. May our Lord grant you that peace that surpasses all understanding to help you during your time of bereavement. God bless you with his strength.

“ *So very sorry to hear of Mark's passing. Praying that God's peace and comfort will sustain each of you. What a wonderful way to celebrate his life, though -- with the Redskins jersey and singing "Hail to the Redskins" at his service.*
