

Mark Edward Patrick

July 9, 1966 - May 25, 2020

Mark Edward Patrick, age 53, passed away peacefully in his home, in Manassas, Virginia, May 25, 2020, in the presence of his beloved wife Anecia and his children, Ashley and Brian.

Mark was born in Corning, New York, on July 9, 1966, son of Priscilla Price, and step-son to Keith “Scoop” Price.

Mark was astoundingly hard-working, served 14 years in the US Navy as a Hydraulics mechanic, and Petty Officer 1st Class, then continued to work multiple jobs and take night classes to earn both his Bachelor’s and Master’s degrees along with several professional certifications. He was currently working as the Vice President of Operations at Digital Management, Inc. Although he worked endlessly, he always made time for loved ones. He loved music, working on cars, hunting, drinking an evening Scotch, and watching movies with his family. He was loved dearly by family, friends and co-workers. An incredible friend, husband, father, and step-father to Stephen and Leah Harris.

He is survived by his mother, wife, children, brother Mike and sisters Joan and Anne. Internment will be in Nelson, Pennsylvania on Saturday, 30 May 2020.

Tribute Wall

“ *Mark was what he always strived to be: a good dad. He protected, provided for, and supported his family through thick and thin. Mark was full of good ideas and he could help you find solutions to pretty much any problem. He’s going to be terribly missed by so many people whose lives improved just by knowing him. I miss so very much.*
