“ *I am so sorry to learn of Mark's passing. I worked with Mark at American Medical Laboratories. I always enjoyed working with him. He was an excellent chemist. He was dedicated to the work we performed in the industrial hygiene laboratory.*

I lost track of Mark when he left the company. I will always remember his great smile and the wonderful pastries he baked and brought in for us to enjoy.

My sincere condolences to Mark's family, his son, and his friends. May Mark always be a blessing to each of your hearts.
