“ *Mark, Hagen, Owen, and Grayson (and Shirl too) as well as the rest of the family, I am so sorry for your loss. I can picture Tony right now at your "petite" kitchen table during the kids birthdays and other holidays at your house just grinning from ear to ear talking about cars or just laughing at Marks jokes, probably wondering how he gets away with them, and just watching Shirls chaotic family parade through the house. We all enjoyed him and loved him like our own family. Hang in there! Love yall, Katie*

“ Mark, boys, and family: I am sorry for the loss of your father and grandfather. Just remember, perhaps they are not the stars, but rather openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. And may the love of those around you help you through the days ahead. Take care.
