“ *I have very fond memories of Marsha, we became friends when our husband's were into drag racing, always happy and smiling, I remember when she had that beautiful baby girl and going to a cook out at her Moms house and someone had made corn pudding and I had never heard of it but it was good, life goes by so fast and before you know it you have lost touch with the people you knew, will miss her and know that she is with the Lord, prayers to the family and know she will be waiting for you when the Lord takes you home*

“ Dear Mike and Family, I am so sorry to hear of Marsha's passing. I wish I could attend the service but my granddaughter is being Christened at 12:00 on Saturday. I had a very close friend that had ALS so I do know what Marsha endured, I know she fought with a smile on her face and love in her heart. Sincerely, Julie Brown McCauley

Melissa, I know how much you loved your mom. We often talked about your family and I spoke to her a few times. I pray for you and your family for the loss of your mom.

I just found out about Marsha's passing and I am so heartbroken. I have some very fond memories of Marsha, we met in Bernice's Sunday School class at Emmanuel Baptist Church. She was the sweetest person I ever met, so kind, friendly and helpful. As years went by, we lost touch but found each other again on fb. May your precious memories of Marsha bring you comfort and know you will see her again when the Lord takes you home.
