“ *I've known Martha my entire life, she has always been loving and nurturing. She always had the biggest heart and the most beautiful energy that can draw in anyone. Everytime I would see her, I always felt welcomed and every word spoken was purest and full of love. My son loved her as a grandma and we are both truly sad to have lost such a sweet angel. But your memories and all your love and kind words will forever live on in our hearts. May you rest in heaven and give my mommy a big hug from me.*
