“ *Marcy was a sweet and refined lady who was kind to everyone she met. I worked with her for many years, and was impressed by her gentle nature and thoughtfulness. The world is a less beautiful place because of her absence. We wish her loved ones strength at this time.*

“ Aunt Marcy, though we've been separated by miles, you were always very close to my heart. You were the one who introduced me to arts and crafts at a very young age. I will always cherish the memories when grandma Bullick would take us to your craft store and wait patiently as we picked out some goodies. Those were some of the happiest times of my life. Rest in Peace Aunt Marcy.

“ Marcy you were my sister's best friend but I have some great memories of you! Like how you used to sleep walk and the times we played in the snow with friends like Mark and when you just were around my family. I always thought you were so pretty! I know you will be so missed because you were so loved by many!

“ My dear sweet friend, you are gone much to soon. We shared so many great times together as kids growing up and spending hours daydreaming of what the future held for us. Enjoying our high school years, double dating, and can't forget our first jobs at Tops Drive-In, those were such fun times together. I cherish all those memories of our long and lasting friendship. Rest In Peace my Dear Friend, till we meet again.
