“ *Martha came into our lives several years ago because of a snow storm. Both Jimmy and Martha were either in the hospital or rehab center during a major blizzard, Jimmy was coming home that day but his driveway was drifted shut. Our son, Jerry, and I took snow blowers and cleaned out their driveway.*

*Since then an extra special bond was created between us. BJ would walk with Martha when she would take her walker and head up or down our street. Many times we'd head out for dinner, lunch or to Nathan's for ice cream. Pizza was also a favorite food either at our house or their's. This space isn't large enough to convey all the wonderful times and laughter we had together. We have been so very blessed in knowing both Martha and Jimmy. Now, Martha walks streets of gold without a walker and without pain in her body. Jimmy, may God sustain you during this time of transition and adjustment. We wish you the richest blessings God has to offer. With love and sympathy, Sam & BJ Beachy. Rest in peace "Sweet Thang".*

“ Jimmy,

*My heartfelt sorrow to you for your loss. Miss. Martha will always be in my heart where I carry you both. May she rest in peace as she rejoins her sister in Heaven. I will always remember my monthly call from you as we worked out a room for you lovely wife. I loved the way she always remembered her wether's candy basket. God bless you Jimmy as you look for a way to cope with your tremendous loss.*

*Much love to you,*
