“ I had not seen MJ in years, but just happen to be doing a search online for some old friends and I could not believe my eyes. MJ and I worked together way back when in VA. We often rode to work together and sometimes even skipped work together. she was such a nice person and always loved being around her. My deepest condolences to her family and friends. I wish I could have said goodbye!

“ I haven't seen MJ in many years, but always exchange messages on our birthdays.
I am heartbroken to learn of her passing, my mother and I were just remembering her a few days ago as her birthday was approaching. My deepest condolences to the Blizzard family. MJ was an incredible woman with such an effervescent personality. I've missed her for many years and have tried to connect with her many times. Just so sad. MJ is a beautiful person and I hope she knows how loved she is.

“ I have not seen Mary in over 20 years, but her sweet smile and her zest for life will never be forgotten. Mary and I attended Radford University together, were roommates for 3 years and she was a bridesmaid in my wedding back in 1995. I just learned tonight that Mary passed away. I am so sorry for your loss and my thoughts and prayers are with your family. I have so many wonderful memories about Mary and the crazy things we did together. She will never be forgotten and will always hold a special place in my heart. Much love to your family and long live MJ in all of our hearts.

“ My most sincere and heartfelt condolences to the family of MJ for such a huge loss. Although I only knew her for a short time, some 15 years ago, when we met in Tyson's Corner, VA. where we both worked, she has been in my memory ever since as I will never forget her beauty, wit and charm. Unforgettable...and one of a kind. You are all in my thoughts and prayers.

With deepest sympathies,
Stanley Tobin

So many wonderful memories of MJ from losing our car at Pentagon City Mall, traveling and getting stranded in Boca Raton, FL because of a blizzard in DC, hot air ballooning in Charlottesville and helping her decide on options for her first home...the reoccurring theme in MJ's life was the love for her family. I am saddened that I just found out that MJ had passed. She was taken much too soon from a family she loved and the many lives she touched. May the many fond memories of MJ sustain all who loved her during this difficult time. I apologize for not reaching out sooner but I just found out that MJ had passed. Maureen

“*My heart goes out to your family. I am so sorry for your loss. What pain hurts worse than the pain of losing someone that you love? Mary J. was deeply loved and she will be dearly missed. Though the pain you're feeling must seem unbearable, please remember that you are not alone. Psalms 46:1 says, "God is our refuge and strength, a help that is readily found in times of distress." Pray to Him for strength. Weep to Him when there are no words. One of the poets of the Bible said at Psalms 56:8, "You keep track of my wandering. Do collect my tears in your skin bottle." You see, God understands your pain and He cares for you very much (1 Peter 5:7). And He will really help you get through this difficult time (Isaiah 41:10).*

Mary didn't live but sparkled. She would hate me saying that but it is true. No one who met Mary would ever forget her. Her beauty, sense of humor and style graced any room she entered but more than as a friend what I treasured most was her depth and compassion. Thank you to Mary's mom for sharing your wonderful daughter with us. Jayne Newman (room mate Regent University)

“ I'm still trying to wrap my head around her not being with us. I can still hear her laugh. Thoughts are with you all, my Mom also sends her condolences. I'm so sorry I can't find the words right now to ease your pain. Just know my thoughts are always with you, and Melissa you know I'm always up at 3 am.

“ So sorry for this loss. I have a lot of great memories with Mary in middle school and high school. I loved having homeroom with her in the cafeteria at the old Graham Junior High before we were moved to the new Graham Middle School. She always wore the nicest clothes, looked polished, and filled me in on everything going on in the school! It was one of the highlights of my day!
