

Mary Elizabeth Caison

April 10, 1960 - October 27, 2025

Mary Elizabeth Caison was born April 10, 1960 in Middleburg, VA to the late William Roy Caison and Elizabeth Ella Essex (Caison). Mary was the youngest of five and grew up in The Plains, VA.

Mary graduated from Stonewall Jackson High School (now Unity Reed) in Manassas, VA and worked as a Site Director for Alphabest Education. She was an amazing cook, known for her delicious turkey wings, mac and cheese, and so much more! Mary had a deep love for her family and the church. She was a dynamic prayer warrior!

She was called home to be with the Lord on October 27, 2025. She passed away peacefully in her home.

Mary was deeply loved and cherished by many! She is survived by her children, Brandon and Ashley Caison, her granddaughters, Ka'la Hampton and Laila Seaborn, her siblings, James Caison (Alice), William Caison, Gloria Jones (Willie), Betty Ellis (Clayton), and a host of nieces, nephews, family and friends.

Mary will be greatly missed; however, we celebrate as she has received her crown and is resting with our Lord.

“*Mary was a beautiful person inside and out. She loved her family and friends dearly and was always there for them to celebrate the good times and accomplishments, in addition to being there for the tough times too. Loved her cooking and her smile that would light up a room. I do not know what I would have done without her support and friendship when my mother passed away. The cafe prep area was the place I would go when my heart was aching, and she in addition to the rest of her sisters where always there when I needed a hug. We use to tease each other about if she was dating Jesus or I was, now I am sure she is having beautiful conversations with Jesus. Her beautiful daughter and granddaughter would stop by from time to time and you could tell how much Mary loved and adored them. This world was a better place because Mary was part of it. I am sure she will be looking over all of us and praying for us. My deepest sympathy to her beautiful family. I will miss her dearly and will always cherish the wonderful memories of my dear friend Mary.*”

“*I just heard of Mary's passing today. I am heartbroken I did not hear in time to attend the service for this lovely woman who it was just a pleasure to know and work with for several years. Mary was one of life's treasures, her smile could brighten any room, I can close my eyes as I write this and hear her laugh. Betty and Gloria, please hug each other for me. I will keep you in my prayers and ask God to help you through this time of sorrow.*”

“ *Sis. Mary was a dear sister and a true friend. She was always encouraging. She was kind, always willing to help. Prayerful in all things. She also liked to have fun and laugh. I will miss her laugh and smile. She graciously prepared her macaroni and cheese when we requested for our church events and didn't even want to receive a love gift for it.*

I know that great is her reward in heaven but I surely miss her and took for granted that she would be here so much longer. Nevertheless, I am so blessed that God allowed us to meet, become sisters and friends.

“ I met Sister Mary all those years ago, and from the very beginning she was nothing but sweet, gentle, and full of God’s love. She carried herself with such grace.

Sister Mary had a quiet strength and a tender spirit that blessed everyone around her. She radiated kindness, and her faith was steady and unwavering. I thank God for the privilege of knowing her.

I pray for Gods strength and comfort for the family 🙏🙏

Rest in glory, sweet Sister Mary.

Your memory will live on in our hearts. 💜🌸

“ Aunt Mary, thanks for always being very welcoming to me from the first time I met you. Thanks for always showing up for Derek & I! We appreciate the prayers you've prayed for us and our little family. Little Mary (inside joke) is stuck on making you feel better. I'll forever remember that last smile you smiled at her & I. Derek misses you so much and I know you know he loves you! Forever in our hearts! From labor to reward! We love you
