“ Nanny Corbin,  
I miss you so much. The majority of my memories from my  
childhood all include you. You taught me so much and I loved  
spending time with you. You always knew how to make me laugh  
even if it was completely unintentional. I love you and I know you  
are watching over all of us. You will always be that voice in the back  
of my head that makes me laugh when I'm feeling a little down. I  
love you, Always.

“ I am so sorry to hear about Mrs. Corbin's death. She was a wonderful baby sitter for my two daughters.

*I'll never forget them coming home to tell me that they had "chicken squirrel" for lunch which was her way of not telling them they were eating squirrel.*

*She made matching beautiful long dresses for them and spoiled them in so many ways.*

*I always love her cooking, especially the bread.*

*Mary gave me the starts to many of my flowers. She was always so proud of her vegetable garden and her flower gardens.*

*I will continue to think of her every time I go by the house on Lake Jackson Drive. I am sure that you will miss her lots.*
