“ Kenny & Bruce,

*I am very sorry for your loss. I can remember several times as a teenager going to her house and she was very nice to all of us. My mom has only been gone 8 months now and it does get easier with time. The grief will subside and only good memories will remain. The next week will be the hardest, so hang in there.*

“ Dear Bruce,

*I am so sorry to learn of your mom's passing. I know you loved her very much and she seemed like a wonderful lady. My dad passed away a few months ago. I know how hard it is, especially holidays. Anyhow, it has been several years since we have spoken but I just wanted to let you know that you and Kenny are in my thoughts and prayers.*
