“ *Dear Family and Friends of Mary Anne,
I am so sorry for your loss. Mary Anne was one of my students at Freedom Center in my Aqua Zumba class and stood in the exact same spot every class. She was a joy and her smile lit up the pool. God Bless her and my thoughts and prayers are with all of you. She will be greatly missed in our class.*

“ I haven't seen Mary Anne in a few years but we kept in touch via email and she was always so good about sending a Christmas and birthday card every year. My fondest memories were taking her and our other lady friends, Lee and Joyce on adventures into DC or out to lunch at a favorite restaurant when I still lived in the area. Her smile was infectious and I will always hear her laugh when I remember her. Through her I made friends with her cousins in Michigan after moving out here and am grateful for the connection she initiated. I was shocked and saddened to learn of her death. She will be missed. My deepest condolences Chris, Cindy and families.

With thoughts and prayers,

“ Mary Anne was such a wonderful joy to have in all of my Aqua aerobics classes at The Freedom Center. She was right up front where it wasn't so deep so she could touch the bottom. I always loved seeing her smile and then I would have to tell her and the ladies to stop gabbing and get in the pool for class! I am so shocked and terribly saddened to hear of her passing. She was in such fantastic shape and seemed of great health. I also had no idea she was 82! I would have guessed late 60s early 70s! I know she is now in Gods house and surrounded by all the loved ones that have preceded her there. She will also always have a "warm" pool to enjoy I am sure. I will truly miss her in my front row. Prayers and love to her family. Kerri Ralston, Instructor at FAFC
