“ Mary is a wonderful mother, grandmother and great grandmother. She loved with all her heart. I remember how crafty she was and how she always had a vest that she made for every holiday and occassion,as you can see in the picture. When she worked at the skating center she worked circles around the young ones. Mary is loved and will be greatly missed.

“ Throughout our childhood, us grandkids got to go spend a week or 2 at a time at Mimi and Poppy's house every summer. Brianna and Myself (Abby) were always fighting over who got to sleep in Mimis bed with her each night... Even if it was to just watch infomercials and talk for another hour after saying out goodnights. Those are the times we are blessed to have and will forever cherish. We love you so much Mimi.

My brother adored Mary. He told me what Mary wants she can have. We enjoyed our visits with them. Making many Memories. She was a bright light in the room. So sad she went too fast. She adored her boys and grandchildren. Along came great grandchildren. They won't get to know how much she loved them. She leaves behind her companions Diamond and Copper. I pray they find a good home. She loved them. They were on her lap all the time. Anyone that knew her will miss her laugh and joy. She missed my brother everyday. They're together now. God has been busy. She adored her boys and Lauri. We will be together again. Gods promise. For us it won't be too long. Love to the boys and families.
