“ *I am so very, very sorry for the unexpected tragedy that has struck your family. Francine was the first person to reach out to Joe and I at the Ravenscrest apartments along with Butterball. The last talk we had was her upcoming surgery and your retirement back to Texas. She was so ready and happy about it; it just couldn't come fast enough. The future will be hard, but you can do it. Take care of her Savannah. Again, very sorry for our loss!!*
