“ Sincere condolences to the Jansen children and Whitlock siblings. I "grew up" with Jane, enjoyed North Methodist Church, high school, and all the activities that youth brings, and knew Jane as my friend. Her sense of humor and sharp wit could send "all the girls" into gales of laughter. Lincoln Homecoming won't be the same without seeing Jane

“ Dear Whitlocks and Jansens,
We have known Jane most of our lives. I went to LaSalle grade school with her and have lots of fond memories. She often wore her hair in pig-tails and was almost always smiling. Laughter came easily to her, and she was warm and friendly, too. We were in Brownies and Girl Scouts together. I remember visiting at her folks' restaurant and getting hamburgers. High school days were filled with slumber parties, visiting over a Coke at the Adams, some tough classes, and dating Jamie and Mert. Her bubbly spirit and fabulous sense of humor will no doubt be an asset to those with whom she now associates. We will miss her.
With lots of love,
Valerie and Marvin (Mert)

“ I was shocked to hear of Jane's passing. I just found out today. She was a very dear and wonderful friend to me for many years. We laughed a lot together and always had a great time. I started a letter to her recently and unfortunately never got a chance to mail it or finish it. I loved her dearly and she will be deeply missed. My prayers are with all of you.

Regrets and Warmest Regards..
