“ As the sun set, six evenings a week during GDLL baseball season (the early 2000s) at Long Park, Buddy and Virginia Kepler came over the hill in a small blue pickup, to finish closing up the park and get everyone on their way.

As usual, "major division" games ran late and volunteers hurried to get players a snack before heading home. Buddy and Virginia ran a tight ship and firmly encouraged us to get on our way.

Overseeing the snack bar a couple times a week, I played the "old neighbor" trump card when Virginia came to hurry us along.

"Hey Mrs. Kepler, I'm Pam's daughter and Matt's sister, I offered."

We immediately made a connection and our delightful conversations bought teams a few more minutes each week for years while we reminisced and closed the snack bar down.

Thereafter, Virginia ALWAYS asked about my family whenever our paths crossed. What a wonderful testament to a hard-working, family-loving matriarch.

Catharpin has a large void to fill without the presence of Buddy and Virginia Kepler. Their sons, grandchildren, and great-grand kids will work hard to live up to their legacy.

My condolences to the Kepler's on the loss of this amazing lady.

Kind Regards,
Wendy (C-F) M.

“ I will always remember the good times I had with Virginia and her sister Margaret. **THEY WERE MY FAVORITE COUSINS.** I remember us always going shopping, taking them to the store each week, going to the Cemetaryies each Memorial Day and at Christmas. Virginia and her family were always willing to help me whenever I had a problem or concern. I'll always remember Virginia, Buddy and Margaret how wonderful people they were and all the good times we had. Rest in peace Virginia. Give Buddy and Margaret my love when you see them in heaven.

ALL MY LOVE,

Brenda

“ My favorite memory of Ginny is on the bowling lanes. She always had a smile, a kind word and every now and then a joke to tell. I will miss her.

“ I am Blessed to of had Virginia in my life. I remember sitting at the dinning room table and Virginia frying fish I had caught for Buddy and I. She was a wonderful person and still is a wonderful person that will never be forgotten because she touched a place in each of our hearts. Our thoughts and prayers go out to the family. I can still see the smile on her face when she would wear you out playing cards too :)
