KB

“ *Mary also known as Granny to her grandchildren and great grandchild. She did not want to be called, Grandma. She said, how about Granny? She loved her family and cared for us all. When we lost Melissa, we shared our grief through that sad, rough time. Years went by and the kids were grown. We became friends. Traveled together, visited Caitlyn and would bring her back to Granny's for the summer and holidays. Her and I started going places together. We'd laugh and tell people that I divorced her son, but kept her. She was one strong, beautiful woman who raised her family all alone after her husband passed years ago. She was loved and will be missed by so many. Rest in peace, Mary. I know Melissa and the rest of your family greeted you with open arms.*
