“ I was so sad to hear the news. Mary Ann and I started with TJMaxx the same year. I joined her in Manassas a year or two into after starting. This is where I met Mary Ann. There are so many great memories in store 609 with Mary Ann along with her "gang" of friends, Joan, Linda, Rosemary and Robin. It was like working with the cast of Steal Magnolias, so fun. After Manassas closed, Mary Ann joined me again in Woodbridge.

She helped celebrate the birth of my son and wished me well when my family and I moved to Williamsburg. Mary Ann would call me from time to time. We would reminisce and catch each other up on family. She was so proud of Patricia and her life and family! She was a devoted mother, sister, friend and dedicated employee.

Mary Ann was a kind soul and all who knew her were blessed!

“ I have such good memories of Mary Ann. She came to Potomac Mills with a small group of associates from the former Manassas TJ Maxx. She was warm, friendly and caring and fit right into our family like she had always been there. I am so happy to have known and spent time with her. Love her always. MJ

“ I can remember when I first started dating MaryAnn it was a long time ago Kyle was about five years old. Our first date was at Olive Gsrden for dinner. I can still remember what she ordered cause couldn't finish it. We laughed together over the years and we shed a tear or two. We prayed together quite often and we ate together quite often. One thing I know for sure about Marysnn is she loved serving the Lord, and she loved her two grandchildren very much. I cannot remember a single time that I talked with her on the phone or in person that didn't mention Kyle and Kelly. You will be missed, looking forward to walking the streets of gold hand in hand with you. Love you much.

“ MaryAnn was special indeed. I have known her for over forty years, and I will truly miss her. Don't have room on here to share all the memories I have of her. But to know that she is with the Lord and walking with her family makes me feel somewhat better. Will see you again Maryann. You're inGods hands now, but you are still in my heart.

“ *I pray for the family and friends of dear Mary. I regret that I will be unable to attend. I thank God for all the times I was able to share with Mary and pray with her. I ask the Lord to touch each of you with His great love. May you sense His compassion and love for you during this time of loss. May we all rejoice that Mary is with Jesus, and having a great celebration. I celebrate her life, and pray for you to know that she is at peace, and has no more pain or sickness. God bless each of you and my love and prayers are with you. Sincerely, Maria*

“*Mary lived across from me when I was at Scarlet Oak Drive. Many times she would ask for prayer for family members, and for herself when she did not feel well. The Lord met us over and over by answering our prayers. After we prayed Mary would feel great peace. I was honored that she would call me. We continued to keep contact always praying. Amazing!. We do serve an Awesome God. I know Mary was ready to be with Jesus. She was tired, and concerned about the future. I would let her know that Jesus would never leave her nor forsake her; that she would not have to handle anything that Jesus would not give her the grace to handle. She had called about a week and half before she died. I thank God that I was able to speak and pray with her. Mary loved God and she loved her family.*”
