

Mary Louise Wood

March 24, 1930 - May 29, 2020

Peacefully and surrounded by her family, our beloved mother, grandmother and great grandmother, Mary Lou Wood, passed away on the evening of May 29th, 2020 at the age of 90 years old.

She will be lovingly remembered by her two surviving daughters, five grandchildren, six great grandchildren, granddaughter-in-law, son-in-law(s) and friends.

She was predeceased by her loving husband Ashby Douglas Wood; daughter Cheryl Clemons; 4 sisters; and her parents.

Our beloved matriarch enjoyed fishing, gardening, crocheting, baking, and was famously known for making her world class homemade banana pudding for her family. She cherished her annual trips to Florida and Disney World with her family.

Mary Lou previously worked as a special needs assistant for the Prince William County School bus system. She also volunteered for a time at Prince William Hospital as a Pink Lady. She later became a devoted sales person at Cracker Barrel. She had a love for all living animals, especially her German Shepherds, hummingbirds, and deer. She also had a soft spot for all things Elvis Presley.

She will be remembered by her beautiful blue eyes and her love for fishing as she looks over the majestic Matanzas Inlet Bridge for one last cast...

“I pray that I may live to fish
Until my dying day.
And when it comes to my last cast,
I then most humbly pray,
When in God’s great landing net
And peacefully asleep
That in His mercy I be judged
Big enough to keep”

“ I've known Mary Lou for about 53 years. I worked with her daughter Cindy at the bank and she was a wonderful person. She could cheer you up and make your day with her laughter. She always had a story to tell that would make you laugh. I loved her dearly. Rest in peace . Shirley
